## Reference

Simone van Galen has always made a positive contribution to the organization. I know her as someone who gets the best out of herself with passion and determination and who knows how to deliver more than excellent quality. In addition, Simone is a nice colleague who fits well in the team and likes to help her fellow colleague.

Since I have had a very positive experience with Simone, I can highly recommend her for future positions where meticulous work, precision, ambition and reliability are part of the criteria.
